

## Growing and Learning Together

### Our Vision

We believe that all children should be happy, feel safe and enjoy their experiences at Perryfields Primary.

Working together, in partnership with parents, we strive to enable our pupils to be confident, independent and self-motivated individuals who are inspired to learn.

We encourage pupils to be proud of who they are, show respect for others and to be the best they can be.

### Our Twelve Values

Collaboration	Confidence (Self-belief)	Courage	Happiness
Honesty	Independence	Kindness	Patience
Perseverance	Respect	Responsibility	Tolerance

Originally a one form entry school, Perryfields Primary is in the process of being expanded to accommodate twice the number of pupils. By September 2020, there will be a total of 420 pupils attending Perryfields. Despite our school growing in size and number we have maintained our 'Family Feel' able to focus on individual pupil's success and achievements.

We are also proud to provide good quality Pre-school provision within the school grounds. Perryfields Preschool has 32 places, offering both morning and afternoon sessions.

POSH Club (Perryfields Out of School Hours Club) is also managed by the school and offers both before and after school care, five days each week, during term time.

During your child's time spent at Perryfields, we aim to provide a happy, secure environment in which children will thrive to become the very best that they can be. We aim to support their growth into becoming confident, successful learners and caring, responsible citizens. With this in mind we promote Building Learning Power throughout our school, encouraging pupils to use and develop their key learning muscles. With the support of parents/carers, we will aim for all our children to fulfil their potential and make many happy memories during their time spent here at Perryfields Primary School. We work hard to develop the personal and social skills of our children, based on mutual respect and high expectations.

Through productive partnerships, we strive to maintain our high standards and to further enhance the excellent reputation of our school. Our dedicated staff is committed to provide and ensure the highest possible academic standards for your children. If you are a prospective parent please arrange to visit us so that you can experience our school environment ethos first hand. Together we will 'Grow and Learn Together.'
