### **Year One ‘Challenge Time’**

Last week was the last session for parents to come in and work with their child. Many thanks to those parents who have been able to join us over the past school year.

### **Inconsiderate Parking**

It has been brought to our attention that a black Peugeot 308, registration number **BD16 KHL** has been seen parked across a driveway on Apsley Road on more than one occasion. May we remind you that consideration should be shown to residents on Apsley Road and the surrounding area when parking around school. We do advise residents to contact the police when they cannot access their property.

### **Spare Clothes**

We are running very low on spare clothes for children in our Year One classes. If you have any clothes (including P.E. kit) and/or pumps that your child may have grown out of we would be very grateful if you could bring them in to school.

### **Sale of Toast/Tip-tops**

We will be selling tip-tops at morning break until the end of term. These will be at a cost of **15p each**. We will continue to sell toast, which costs **25p per day**, every day. If your child would like to buy toast or tip-top at break time, please send him/her with the **correct amount in coins in a named purse, wallet or envelope**.

### **Safety on Site**

Unfortunately we have recently had incidents where children have hurt themselves while climbing trees on site. Please note, although still on school property, once the children have left the care of their teacher, or before the school day has started we cannot be held responsible for their safety. Also, the ropes around the sculpture are to ensure people do not enter that area, not to be used as a seat, or to be swung on.

### **Year Six Enterprise Project**

Over the next few weeks Year Six will be completing an Enterprise project, where they will be raising money for a chosen charity. The children will be working in their house groups, putting on events and selling items in order to compete to raise the most money. This is part of our annual activities for Year Six after they have completed their SATS. It is designed to encourage independent and entrepreneurial skills in an effort to prepare them for the future. This is a one-off event and parents are not obliged to send their child with money if they do not wish to do so.

### **Staff Training Days**

When we return in the new academic year, pupils will not need to attend on the following dates:

Monday 4<sup>th</sup> September 2017  
Wednesday 4<sup>th</sup> October 2017

We will inform you when the other INSET days have been confirmed.

Yours sincerely,

*T L Jones*
