

Spring Term
Y2 Dates and Information

This term in Year 2 we have a variety of events that parents and wider family can attend or take part in.

Grandparents Afternoon – 8th/9th March

Parents Evening – 14th/ 15th March

Easter holiday – break up 29th March

School Trip: 20th March

We understand that you may not be able to attend all these events. If you can only make a few can we suggest you put Parents' Evening at the top of your list. Also, if your child has a certificate in our Friday Praise Assembly it would be good if you could join us then too.

The Year's Curriculum

We will be covering a variety of topics this year which will incorporate History, Geography, Science and ICT skills. However, we would like to keep these secret to add mystery and excitement to the enjoyment of each terms theme. Learning Log activities will co-inside with these topics. Alongside this, the statutory RE curriculum will be taught as well as the phonics programme of work for KS1.

How can you support your child's learning this term?

Some ideas:

In Maths this term we would value your support with counting in 3's, 5's and 10's and practising number bonds to 50.

It would also be helpful if when out shopping you worked with your child on adding coins and finding change from small amounts.

Reading regularly with your child and talking with them about the contents of the book is invaluable; ten minutes a day is ideal.

Encourage your child to sound out and blend the unfamiliar words and help them use the new word in a sentence.

Practising letter formation and handwriting will also help your child to progress in English. Co-ordination skills can be improved by practising cutting with scissors, painting, tying knots and school ties and doing up zips and buttons.

If you require any extra help or ideas please phone the office to find out when Miss Taylor or I will be available to chat.

We look forward to working with you and your child this term.

Mrs R Taylor

Miss L. Taylor

Things to Remember

PE kits need to be in school on Tuesdays and Fridays and if your child has their ears pierced, earrings need to be removed on these days unless they can do it on their own. If they are unable to take them out, they will be withdrawn from PE lessons. Also, please remember, long hair must be tied back.

Reading books will be changed on Monday, Wednesday and Friday.

Spelling tests will continue every Friday and we will have a weekly times table test.
