

Spring Term
Y3 Dates and Information

This term in Year 3 we have a variety of events that parents and wider family can attend or take part in.

Postponed KS2 Cinema Visit - 19th January

Conover Hall Residential- 12th-16th February

Half Term- 19th-23rd February

Grandparents Afternoon- 8th and 9th March

Parents Evening - 14th & 15th March

Emerald Class Assembly - 21st March

We understand you may not be able to attend all these events.

If you can only make a few can we suggest you put the Parent's Evening at the top of your list. Also, if your child has a certificate in our Thursday Praise Assembly it would be great if you could join us then too.

The Year's Curriculum

We will be covering a variety of topics this year which will incorporate History, Geography, Science and ICT skills. However, we would like to keep these secret to add mystery and excitement to the enjoyment of each terms theme. Learning Log activities will coincide with these topics. Alongside this, the statutory RE curriculum will be taught as well as a variety of P.E. skills and games.

Things to Remember

Emerald: 1st half term - Swimming on Monday, PE on Thursday
2nd half term - PE on Mondays and Thursdays

Willow: 1st half term - PE on Mondays and Tuesdays
2nd half term: Swimming on Monday, PE on Tuesday

If your child has their ears pierced, earrings need to be removed on these days unless they can do it on their own. If they are unable to take them out, they will be withdrawn from PE lessons. Also, please remember, long hair must be tied back.

How can you support your child's learning this term?

English:

We will be looking at poetry, narrative and newspaper reports this term. We are also focusing our attention on handwriting and spelling. If you would like to support your child, we would value your input on the importance of spelling and presentation.

Numeracy:

We would value your support in developing your child's times tables knowledge, particularly focusing on the 3x, 4x and 8x tables, before moving on to others up to 12 x 12. We would also appreciate it if you could practise telling the time with your child.

If you require any extra help or ideas please phone the office to find out when we will be available to chat.

We look forward to working with you and your child this term.

Mrs S Millward and Mrs J Houghton
