

Spring Term
Y4 Sky Class Dates and Information

This term in Year 4 we have a variety of events and important dates for your diaries.

Forest School (every Thursday) 8th Jan - 8th Feb

Grandparents' Afternoon - 8th & 9th March

Parents Evening – 14th & 15th March

Science Week – 12th – 16th March

We understand that you may not be able to attend all these events. If your child has a certificate in our Thursday Praise Assembly we be happy if you could join us in class afterwards.

The Year's Curriculum

We will be covering a variety of topics this year which will incorporate History, Geography, Science and ICT skills. However, we would like to keep these secret to add mystery and excitement to the enjoyment of each terms theme. Learning Log activities will coincide with these topics. Alongside this, the statutory RE curriculum will be taught as well as a variety of P.E. skills and games.

How can you support your child's learning this term?

Some ideas:

In Maths this term we would value your support with quick recall of times tables up to 12. We will practise these in Times Tables Clubs every week.

Reading regularly with your child and talking with them about the contents of the book is invaluable, even if you feel they are a fluent reader. You can always work on comprehension, prediction and inference. Ten minutes a day is ideal.

Your child will have a weekly spelling list. Encouraging them to practise these would also be really helpful.

If you require any extra help or ideas please pop in to arrange a time to discuss any concerns you may have.

We look forward to working with you and your child this term.

Miss S.Shergold

Things to Remember

PE kits need to be in school on Tuesday and Thursday and if your child has their ears pierced, earrings need to be removed on these days unless they can do it on their own. If they are unable to take them out, they will be withdrawn from PE lessons. Also, please remember, long hair must be tied back.

Children will have an opportunity to change their home reading books twice a week and your child can take responsibility for this themselves.
